

## AROUND THE WORLD IN 8 DAYS!

Scientists say the circumference of the earth is 24,901.55 miles around the equator.

On our trip to South Africa, Matt and I essentially traveled around the world! Round trip from Fort Smith, Arkansas, through London, then Johannesburg, to Durban, South Africa is about 22,000 miles.

We then drove approximately 1,800 miles in South Africa. All together we traveled 23,800 miles, only 1,100 miles short of the earth's circumference. Round trip, we spent about 44 hours in the air and 20 hours in a vehicle, a total of 64 hours in travel! WHEW!

But that's not what I really want you to remember and know.

Matt Huie/Pastor Chonga/Ed Huie South Africa 2010

Matt & Ed Huie Teaching and Preaching in South Africa 2010

Why would Matt and I spend the time and money to travel so far? So we could teach on "Fatherhood and Sonship".

David and Donna Haag, founders of South Africa Evangelistic Mission (SAEM) are known among the group as, "Mom and Dad." There is already an understanding of Spiritual Parenting among the SAEM brothers. However, after our first few lessons, Pastor Chonga said it like this, "I will never look at Fatherhood and Sonship the same again."

God, the Holy Spirit helped us communicate the principles of Fatherhood and Sonship in a most unique way. We endeavored to provide Revelation, Exemplification and Impartation to our brothers and sisters in South Africa.

### It Was an Incredible Week of Honor

I am *honored* that my friend, Dale Yerton, introduced me to South Africa 3 years ago.

I am *honored* for the open door of ministry that David and Donna Haag provided by their 50 years of significant ministry in that land.

I am *honored* to have spent precious time with them and function under their authority.

I am *honored* to have been hosted by my dear brother, Tyrone Paul.

*My greatest honor* was the opportunity of ministering with my oldest son, Matt. He did a fabulous job connecting with the leaders as he described his personal journey as a spiritual son.

Not many Fathers have the privilege of ministering side by side with their children. I am *honored* to have the relationship that I have with both of my sons. Matt and Micah are true gifts from God to Vicky and me.

Last but not least, we *honor* the many that believe in, and help us do what we do. Whether you prayed or invested financially, we *honor* you.

#### Your investments really do matter!

May God's most extravagant blessings overtake you as you serve Him in His Kingdom.

Honored,

Ed and Vicky

P.S. If you would like to learn more about Fatherhood and Sonship, please feel free to contact me. Matt and/or I would love to come and minister to your church or group.

#### Miracle in South Africa

This is Elgenae'. At the end of the Saturday evening service, they brought her to me for prayer. She'd had an unexplainable paralysis from her waist down for 3 days. She could not walk. I prayed... They carried her out that night...

**But Sunday morning, she came to church walking and running!**

***Praise God! He still performs miracles!***
